INTRODUCTION

This course aims to provide people already working or wishing to enter the Community and Social Services environment with the skills and knowledge required to effectively execute their job duties in Community Development, Disability Services, Senior Services, and Therapy Services.

It is also appropriate for any professional who wishes to acquire skills and knowledge from any of the 5 competency units (modules) offered in the course. A WSQ certificate, known as the Statement of Attainment, will be offered for each module successfully completed.

Upon completion of this 5-weeks full-time or 5-months part-time course, graduates are fully certified and can immediately start work as a therapy aide in various healthcare settings.

ABOUT CSM ACADEMY

CSM Academy was established since 2005 as a Private Education Institute to deliver Service Management programmes with a major focus on healthcare services education. It delivers multi-level courses ranging from Certification and Diplomas to Bachelor’s and Master’s Degrees. Other than healthcare, CSM Academy also provides educational courses across a wide range of other disciplines including biomedical research, digital media, and hospitality & tourism.

CSM Academy emphasises skills competency, applied workplace knowledge and service excellence, developing several of their own intellectual property programmes in Aged Care, Therapy Services and Biomedical Science, all designed to help students make a positive impact in the lives of someone else.

CSM Academy is equipped with laboratory facilities and an elder care home to facilitate holistic curriculum for our healthcare students. Our Biomedical Laboratory is well-equipped to prepare students with the necessary skills to plan and perform their research projects and be aware of good laboratory practice and health and safety.

CSM believes Life Skills is essential to meet the challenges of everyday life. To cope with the increasing pace and change of modern life, we offer healthcare courses which provides the necessary skills education not just workplace but home life.
